## URGENT PRAYER REQUEST

Hurshed, from Uzbekistan, came to Canada 3 years ago as a refugee. He is a young man, and is married, to his wife. The two of them both come from a Muslim background, his wife is from Kyrgyzstan, he is from Uzbekistan.

After each of them received the Lord Jesus Christ as their personal Lord and Saviour, they married each other, and have been persecuted by their Muslim background for their faith. Currently, Hurshed is here in Canada as a refugee, while his wife is in Kyrgyzstan, and they have not seen each other for three years. Currently, he is looking for a career, here in Canada, and looking to obtain a status in Canada, not as a refugee, but as a humanitarian.

Please pray that after enduring such persecution, he and his wife will be re-united together again as soon as possible. Please pray for his current situation in Canada, to be able to remain here and to eventually bring his wife to Canada. in order to start a new life together.
