

# CMCA Ministry & Intercessory Prayer Letter May 14th, 2018

## Multi Ethnic Youth to Christ! (United Multi-ethnic Youth Camp)

Bana group Study reported 77 % of Christians heard and responded to the Gospel before they became 21 years old. This statistic tells us how important and urgent to share the Gospel to youth. Unfortunately multi-ethnic youth have little chance to hear the Gospel from within their own cultures. In order to reach out to the youth and see them become future pastors, leaders, and missionaries from July 23rd – 26th (3 nights 4 days), CMCA will host “Shalom by the Lake” youth camp for multi-ethnic youth. Through your prayers and financial support may these youth come to know and accept Jesus as their Lord and Saviour and be discipled to become evangelists to their own groups.

The French speaking congregation members are reaching out to French speaking Congolese and have a vision to reach out to the French speaking community in Quebec.
