“Ask of me, and I will make the nations your inheritance, the ends of the earth your possession.” (Psalms 2:8)

Give Thanks & Praise

1. Thank you for A and N being baptized, and for Payal, P, and F accepting Jesus
2. Thank you for guiding us to be faithful to the ministries of the Word and prayer during this challenging time of preventing COVID-19

Prayer Request

1. Captivate us with the power of the Holy Spirit so that we can live a life of discipleship and enjoy the new life in Jesus every day
2. Let strategy and vision of evangelism, discipleship, church planting, and leadership development unfold through social media and online platforms during COVID-19. Let creative ministries take place.
3. Let there be multiple ethnicities within the BLESS team for Mosaic multiethnic ministry and church planting and let the members of every ethnic church take part in.
4. Help us vitalize online prayer meetings, Discovery Bible Study meetings, worship service meetings and disciple training meetings and help us to appoint people to minister through social platforms (Facebook, Instagram, YouTube etc.)
5. Please equip our Persian brothers and sisters so that they are able to have service alone with their families and have prayer meetings and bible study groups on their own.

We send our greetings of peace to you all from the North American multiethnic city, Toronto. We are experiencing unprecedented difficulties and challenges in our ministry due to COVID-19. Since March, visiting churches and meetings were limited and now gathering with more than 5 people is banned with possibilities of being fined. The multiethnic cultural festival (Mosaic Cultural Festival) and Youth Rally for the next generation among every ethnic church have been cancelled or postponed. However, we have replaced and are continuing to expand online Bible study and discipleship training through the app ‘Zoom’, and we try to participate in every ethnic online meeting. I ask you all to pray that we are able to discern the will and providence of God behind our current situation and that we are able to commit to the Word and prayer.

to do campus ministry and I shared the gospel with an Indian International student, Payal, who accepted Jesus.

Within the mosaic multiethnic ministry, we have started training of evangelism and discipleship for Kingdom multiplication in ethnic church planting this year. Last February, 12 brothers and sisters from Korea, China, Iran and Nigeria gathered to train and practised evangelism of the neighbourhood care in the Richmond Hill area. Since last summer to share the Gospel with A and N, we had exciting news that the couple has been baptized. We also had more good news when the 6 members of the Kingswood University short-term missions team from New Brunswick came

Last week was Persian New year, Nowruz, so N(A) invited us to have dinner with her roommate P and her son, F(who are also Persian). During this time, we had the opportunity to share the Good News with them. P attended the Persian service once through N(A), however, did not accept Jesus. That night, P and F accepted Jesus. At a young age, P married, had two sons and was divorced. She came to Canada 25 years ago and raised her children alone. F who has a Muslim background has continuously listened to Christian sermons for a year and was open to the Good News. It isn't religion that we believe but about the one and only God promising us the Messiah and coming to this world in the form of a human to die for our sins as he has promised, which helps us to believe that Jesus is really The Messiah, as he has conquered death. By believing that God's salvation is for us, P and F were able to break the wall of decision to believe that held them back and be saved. Please pray that both people will be well nurtured and especially pray for F that he will be able to grow as a church leader.

Moreover, please pray that the brothers and sisters of small churches can grow in faith through online.
