## Begin with Prayer for Your Missional Life

God the Creator created all things with almighty power and perfect wisdom. In particular, He created human beings in the image of God. The first thing God did was to bless them. The dictionary meaning of the Hebrew word for “bless,” “barak ( בָּרַךְ )” is “to kneel down.” The first thing God does is lowering himself to our height and command us to “be fruitful and multiply, and fill the earth...” We find a New Testament version of this cultural command in Matthew 28:18-20, the great commission given to His disciples by Jesus, the incarnate God.

Jesus concludes the Gospel by “all authority in heaven and on earth has been given to me,” which means that Jesus is the King, and with the promise of his presence, “Behold, I am always be with you until the end of the world.” He commands us to “go and make disciples of all nations, baptizing them in the name of the Father, the Son, and the Holy Spirit, and teaching them to obey all that I have commanded you.” We can go preach the King’s Gospel and make disciples of all nations, baptize them and teach them to obey all the commands of Jesus. This is only because we have the King who wants to be with us and want us to represent the life He Himself lived.

4 Gospels bear close witness to the life of Jesus, who lived on earth in the same body as we do in order to serve God’s will(mission). It is a life in which

Lordwin Lim

He has humbled Himself infinitely in order to bless human beings, and that condescension shows above all that He has made praying to the Heavenly Father a habit of life. What was Jesus, the Messiah’s, prayer before the Heavenly Father? Jesus, who sometimes prayed in the wilderness long before daybreak and sometimes prayed all night on the mountain, aligned himself in prayer with the heart of Heavenly Father. Jesus prayed after God’s heart to bless each and every person that he would meet each and every day, so that the power and glory of God’s presence were unimpeded by the work of saving people from sickness and all bondage.

What the end-time church and its members who are invited to participate in God’s mission today need is prayer above all else. When we align our hearts with God in prayer and bless each person we meet today with prayer, God guides our missions. Above all, the power and glory of God is released into our lives when we bind and loosen in an authoritative

prayer for those souls who are not yet close to God and do not believe in Jesus in the encounters He has already allowed in our lives. As the community jointly develops the habit of praying according to the prayer life of Jesus, the blessing of the nations, our community of faith can be a blessing to all communities and we can begin a life that is a blessing to each and every one of us in our daily lives. A missional life of serving God’s will(mission) begins with our prayers. What kind of prayer are we praying to God today? What if we started our missional lives together from now on with a prayer that blesses each and every one of us with God’s heart?

First and foremost, let us pray for their bodily health, strength and for God’s protection. And let’s pray for what they labor for their financial stability. Let us also pray for their emotional health and for a better life full of joy, peace and hope. Furthermore, let us pray for their relationships with their families and friends. And above all, let us begin to pray for their salvation so that they may come to faith in Jesus Christ. When we pray to bless each and every one God has allowed into our lives, just as Jesus blessed each person at a time, our lives will begin to be transformed into a life on God’s mission.

## HUMAN & HUMAN

### *Experiencing God in Thai church planting mission in Bangkok*

**By Frank and Sue**

“But He said to me, “My grace is sufficient for you, for my power is made perfect in weakness.” Therefore I will boast all the more gladly of my weaknesses, so that the power of Christ may rest upon me.(2 Corinthians 12:9)

From January 2017, we responded to God’s calling to plant a church in Bangkok Thailand, God put us in a multi-factories area where more than twenty thousand workers come from Myanmar, Laos, Cambodia and mixed with local Thai people, consist of working long hours, drinking, gambling, fighting, drug and family problems. Some church leaders told us that “These people do not listen and not open to the Gospel of Jesus, their hearts are very hard like rocks, do not waste your time to work with them.” By God’s grace, Peace Gospel Church was found and our mission was complete, so we returned to Toronto in December 2021. Please allow us to share briefly some exciting experiences about how God has used us in the last 5 years as follows:

1. God’s will and leading in the mission field

It was important to understand clearly God’s will before we went to Thailand and put our trust whole-heartedly in God. We prayed for the people, the place and the leading of the Holy Spirit. We received the confirmation from God, also from brothers and sisters who were willing to pray for us and financially supporting us. By the grace of God, a building was offered by Sue’s brother for the church planting mission in Bangkok. As the building renovation was proceeding, we made friends with those who lived in this neighborhood and shared with them our faith and our works for people in this community.

2. Short-term mission team and church activities

Praise God for sending short-term mission teams from Young Nak Korean Presbyterian Church and friends from Canada. Thank God for their love and care for us, they brought a lot of joy to our children, they taught our children many things, such as Christian songs, dances, Bible stories, drawings and art works. Our church provided the after-school programs for all children in this neighborhood and free of charge for English, Chinese and music lessons, learn to cook simple food,

eat and then clean up together. Saturday and Sunday open for everyone to come for Bible study, prayer meeting and worship service.

3. God’s healing through Covid-19 pandemic

Due to the lack of vaccine, the pandemic had seriously taken away many lives in 2020 and 2021, some of our church members survived from their Covid-19 illness. We spent more time at home praying, worshipping, teaching, encouraging one another by using our phones and internet services. Thank God for His healing power to heal not only our body, but also our inner-being and broken hearts, He restored many broken relationships and released many from worshipping idols to worshipping only one true God through Jesus our Lord and Savior.

4. Baptism and discipleship trainings

Praise God for His mercy and grace, in 5 years, there were 20

people baptized and about 40 people actively following Christ and attending church regularly. Such a wonderful time that we have been serving God together as one big family. Young and old are taking care of one another, sharing and helping one another with God's love, growing up to the fullness of Christ, bearing fruit of the Spirit to glorify God, making disciples of all nations as our offerings to God.

5. Church leadership team and church ministry development

At the time for us to return to Canada, God prepared a new leadership team for the Peace Gospel Church. We pray and hope that the church will continue to share the Gospel and witness the only true God who love everyone so much and send His only begotten Son to die on the cross for our sins, whoever

believes in Him shall not perish but has eternal life. May God bless and use this local church to be the light shining in the darkness in this part of the world.

Lastly, we want to thank you and our friends who have been supporting us. May God richly bless you all.

We noticed that many people passed by while we talk to other during our outreach. A banner with a Bible verse like "Jesus Christ is the mediator between God and human (1 Timothy 2:5-6)" makes them notice what we are preaching.

This also encourages those who are shy to talk to others. We are getting many mixed responses from the visitors every time we go out with banners. Many people are approaching us with curiosity, questions and attitudes.

Please pray that the Holy Spirit of our God would help us face them with right mind and answer, and also help us not be afraid.

## 2022 CMCA Retreat for Ethnic Church Pastors & Leaders

The Ethnic Church Pastors and Leaders Retreat was held for two days in person on July 8 and 9 at the Young-Nak Retreat Centre in Brighton for the first time in 3 years since the pandemic.

Following Friday's dinner fellowship, Reverend Minh Song served the pastors and leaders of the ethnic churches with a lecture entitled "Pastor's Self-Care: Lessons from 2 Timothy 4:1-22." The secret to which the Apostle Paul was able to finish his life well enough to confess, "I have fought the good fight, finished my race, and kept the faith" is the following: 1. Paul considered everything a loss for the sake of knowing Christ (Phil. 3:8). 2. Paul focused on the task God had given him (Rom 15:18-19). 3. Paul was willing to risk everything, including his own life, to obey the call (Acts 20:24). 4. Paul never doubted

the love of God in his life (Rom 8:38-39). 5. Paul closely walked by the Spirit and prayed in the Spirit (Gal. 5:16; Eph. 6:18). In the small group discussions that followed, we shared with each other the challenges of each person's life and ministry and shared the learning that each person had gained from the life of the Apostle Paul. On Saturday morning with worship, after 5 years of successful church planting in Bangkok, Thailand, Pastor Frank and Sue challenged everyone with their precious vision of a mission to

their homeland through a mission report. The prayers led by Pastor Maymi enabled each of us to follow the inspiration we received from the Holy Spirit in silence and to pray with one heart for the nations, for Toronto, and for each ethnic church. After a delicious lunch with the precious efforts of volunteers from the partnering churches, the final session was spent thinking and sharing about the future of the CMCA, encouraging and blessing each other, and the retreat was completed with all participants having the Lord's Supper together.

Through this two-day Ethnic Church Pastors and Leaders Retreat, which takes place every second Friday and Saturday of July, we would like to thank all the partnering churches and saints who are willing to provide a Retreat Centre and take the time to serve as volunteers so that minority churches can find great comfort and strength.

## YOUNG ONE FESTIVAL RELAY REVIEWS (HK CHO)

I participated in the 1st Young One Festival last Canada Day as part of the setup crew and station staff. The Festival was originally planned as an annual evangelical event along Yonge Street for Ethnic Churches and young generations in Toronto.

Yonge Street is the world's longest single

street, running through the center of Toronto. We invited Christians in Toronto to participate in running a relay race along Yonge Street from Aurora to Harbour Front. All runners will take turns to run each of the 3-5 km with "One Step One Soul" in mind. Through this event we hope to raise 3000 Christian leaders in the next 10 years who are equipped with the mission of Jesus Christ.

Two to three volunteers for each station prepared the setup and welcomed coming runners and sent out the next runners. While waiting for the runners to arrive, station staffs greeted visitors and did outreach activities. My husband and I helped as staff members.

The relay started from 7 AM. As the relay started, station staffs and cameramen arrived. It was too early on the holiday so there were not many people on the streets. There was a city parade planned in Aurora, so police started to block the street. By the time we were almost finished, more people gathered along Yonge Street. For the better preparation next year, we should register our event at the city and make use of good timing.

Holding banners for passing cars would've been

more effective, but we did not prepare any this time. At station 7, I met an Egyptian Muslim called Sherif who was visiting his friend. We had a good conversation together. At station 9 we came across an outreach group from a Chinese church in the neighborhood.

In the afternoon, there were more people walking around Young/Finch area, as well as downtown. When we arrived at Harbour Front, there were so many people on the streets to enjoy the holiday. The highlight of our event was there. Pastor Chung and staffs who stayed to the last minute sang praise songs, and shared good news with the people on the street and marched together to the last station.

Pastor Lordwin and Jaehoon who planned and waited for this event could not participate that day because of Covid. I realized that it is a spiritual warfare: declaring Jesus' name at the center of the city and looking for lost souls! We need to prepare for next year's event by praying more for safety. We can choose a few strategic stations to focus on outreach and meet more people. All participants can remember and pray for one person they meet that day and invite them to the follow-up festival.

Even though there were not many Ethnic churches that participated on that day, there were so many people who volunteered for this event. I remember the first runners, who were youth group members from Young on Yonge

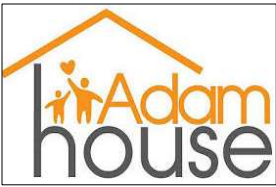

Ministry. Then there was the mother-daughter team, brothers team, and I even saw refugee ladies from Adam house. The most memorable moment for me was when Juwon, who was on a wheel chair, came together with his family and church members! I think I might want to

volunteer as a runner next year. We declared the Kingdom of Heaven in Jesus' name at Yonge street, the heart of Ontario Canada. We will do it again on Canada Day next year. We will prepare better and will give more fruit to our Lord Jesus, our everlasting Father!

# Adam House North News

AdamHouse(Shelter) in downtown Toronto is undergoing renovation for all its rooms, centered around the basement meeting area and the kitchen. Thus, many changes have also been made to the transitional home AdamHouse-North.

Elizabeth, Hendrina, Nekechi, and Mabelle moved out. Then came Mesi from Ethiopia, Mesi's mom and dad, Berhane and Diriba, and Messi's two daughters, Shally(15) and Lyana(9). Brother Moses from Kenya, sister Elahesh from Iran, sister Memory, sister Linda and sister Princess from Malawi came in. A total of twelve people, with Romanus from Nigeria and Bernard from Malawi, now reside at Adam House North.

Every Friday evening, we share our week's life story with volunteers from partnering churches over dinner. After the meal, we share the story of God. Through the Story Hour, we spend time getting to know one another, and sharing the stories of the Bible around the Gospel by drawing pictures and practice what we call "3 Circles". I pray that through this time we will become a family and good friends of a lifetime. All twelve are the first to meet Canada's cold winters, so they need a blanket, a winter coat and snow boots to get through the winter. We would like to thank you for your prayers and cooperation in this matter.

Specifically, through the TCS Charity Challenge event held on Saturday October 15th, we are planning to raise fund for the Adam House ministry as we did last year. Of the total \$60,000 goal, I am aiming to raise \$12,000 in the name of the Mosaic team. We would appreciate it if the various ethnic churches and believers in the Greater Toronto Area would join together in fundraising through the Mosaic team.
